Re: Substitute Sheets for Advice 3441-G/4328-E

Dear Energy Division Tariff Unit:

An original and 1 copy of substitute sheets are attached for Advice 3441-G/4328-E, *"Implementation of Energy Efficiency (EE) Finance Program Energy Financing Line Item Charge (EFLIC) Pilot in Compliance with Decision 13-09-044"*.

In PG&E's Advice Letter 3441-G/4328-E filed on Thursday, December 19, 2013, PG&E inadvertently entered a typographical error in Gas Schedule G-EFLIC - Energy Financing Line Item Charge (EFLIC) Pilot, Sheet 2 and Sheet 5, and Electric Schedule EFLIC - Energy Financing Line Item Charge (EFLIC) Pilot, Sheet 5. The following table shows the changes in redline.

Tariff	Changes in Redline
Gas Schedule G-EFLIC, Sheet 2, Original Cal. P.U.C. Sheet No. 30930-G	If Qualified Measures are primarily installed to reduce usage of natural gas, Customer must be a gas distribution transportation Customer of PG&E for the Premises where the Qualified Measures are installed
Gas Schedule G-EFLIC, Sheet 5, Original Cal. P.U.C. Sheet No. 30933-G	Customer Billing Agreement: Customers must sign a " Customer Billing Agreement Authorization to Add Loan Charges to Utility Bill (Residential) " (Gas Gas/Electric Sample Form 79-1156) with PG&E that specifies the terms and conditions under which PG&E will include the Loan Charges
Electric Schedule EFLIC, Sheet 5, Original Cal. P.U.C. Sheet No. 33258-E	Customer Billing Agreement: Customers must sign a " Customer Billing Agreement Authorization to Add Loan Charges to Utility Bill (Residential) " (Electric Gas/Electric Sample Form 79-1156) with PG&E that specifies the terms and conditions under which PG&E will include the Loan Charges

In accordance with GO 96-B, Section 7.5.1, the substitute sheets are being served in the same manner as the original advice letter. For administrative convenience, a new Attachment 1 is being attached. Please discard the previously submitted Attachment 1.

Please telephone me at (415) 973-5265 should you have any questions regarding the substitute sheets.

ENERGY FINANCING LINE ITEM CHARGE (EFLIC) PILOT

Sheet 2

DEFINITIONS: (cont'd.)	<p>Participating Lender: A lender approved for participation in EFLIC by the CHEEF. Participating Lenders must be approved by the CHEEF pursuant to the standards in the EFLIC Guidelines, as may be modified from time to time, and must sign all agreements required by the CHEEF.</p> <p>PG&E Charges: Charges rendered by PG&E for electric and/or gas service, deposits and related charges approved by the CPUC. Loan Charges are not PG&E Charges.</p> <p>Qualified Measures: Improvements allowable under SFLP, as approved by the CPUC. Such measures are specified in the EFLIC Guidelines, are subject to CPUC approval, and may change from time to time.</p>	(N)
TERRITORY:	EFLIC is available throughout PG&E's gas service area, subject to lender availability and participation.	
RATES:	All charges and provisions of the Customer's otherwise applicable rate schedule shall continue to apply. Each Loan Charge will appear as a separate line item (or multiple line items) on the Bill.	
CUSTOMER ELIGIBILITY:	<ol style="list-style-type: none"> 1. Customer must apply for and accept an Eligible Loan with a Participating Lender during the pilot period and authorize PG&E to include the Loan Charges on his/her Bill. 2. Customers must be current on their PG&E Charges (i.e. not in default or in arrears). 3. Customer must purchase and install Qualified Measures funded through the Eligible Loan at a Premise owned by the Customer that is associated with the Customer's PG&E Service Account. 4. If Qualified Measures are primarily installed to reduce usage of natural gas, Customer must be a gas transportation Customer of PG&E for the Premises where the Qualified Measures are installed. 	
BILLING AND PAYMENT OF LOAN CHARGES:	1. PG&E is authorized to include Loan Charges on a Bill until the Eligible Loan is fully repaid and discharged. PG&E will include the Loan Charges as a line item or items on the Customer's Bill as calculated and transmitted by the Participating Lender and communicated to PG&E by the CHEEF. PG&E may rely on instructions received from the CHEEF and its agents and is not required to verify the amount of the Loan Charges or undertake any other verification or inquiry with respect to the transactions giving rise to the Loan Charges. The Loan Charges may vary from month to month based on the Eligible Loan terms. A participating lender is responsible for the calculation of Loan Charges due and submitting that information to PG&E.
